

ПРОЕКТ 111
gifts that work for business

23 years in the industry

Since 1993 the company produces, designs, and distributes promotional products and business gifts.

1993

2016

First-class supplier

The Russian Association of Communication Agencies (RACA) estimated the size of the promotional gifts market in 2014 at 18.5 bln rubles. Therefore, every twelfth ruble spent on promotion, client loyalty and so on in Russia is invested in the business gifts sold by Project 111. We are confident that it is a profitable investment.

Licensed and exclusive goods

In 2013 Project 111 was licensed to produce and sell items with the XXII Winter Olympics and XI Paralympics' logo in the Automobile accessories category.

In 2014 we became the licensee of FC Zenit Saint Petersburg.

We are growing along with the world's promo industry

Project 111 is a member of WAGE (World Advertising Gifts Exchange) Presidium, the organization uniting the market leaders from 25 different countries.

PSI association (Promotional Product Service Institute) organises the most prominent promo gifts trade show in Europe. Project 111 became PSI member in 1999.

The Russian Association of Communication Agencies (RACA) was founded in 1993 and unites more than 180 companies of the advertising market. Project 111 became a member of RACA in 2011.

A wide variety of companies use our products to communicate their messages
